The ICC International Court of Arbitration Bulletin is intended for all those interested in international commercial arbitration and other methods of dispute resolution. Founded in 1990, it is produced under the auspices of the International Court of Arbitration and appears biannually together with an annual supplement.

The Bulletin contains extracts from awards rendered in ICC cases, as well as reports and notes essential to ICC arbitration practitioners. It also carries articles on aspects of arbitration procedure and developments in arbitration law across the world.

Each year, the special supplement to the Bulletin provides focused, in-depth coverage of a specific topic.

The Bulletin is available online in the ICC Dispute Resolution Library: [www.iccdri.com](http://www.iccdri.com)
